

## **Clinical or Community Partnerships**

### **Galveston College ADN**

*Galveston ISD*

Galveston ISD allows Galveston College to utilize specific pieces of physical assessment equipment (audiometers, visual screening tools, etc) for student learning labs and in exchange, Galveston College nursing students assist GISD school nurses in assessing students' developmental and physical health.

**Approximate cost of implementing and maintaining partnership:** no cost

**Grant monies used:** no

**Expected benefits from partnership:**

- allows students to work with practicing nurses in an independent setting
- gives practicing nurses additional manpower to achieve a goal that otherwise may not have been achieved

**Challenges from partnership:**

- providing faculty oversight for students in many locations throughout the school district
